

13-Day Tanzania Luxury Safaris

Your choice of July 12 - 27, 2027 or January 17 - 30, 2028

Journey to the Serengeti during peak calving and migration seasons. As millions of wildebeest and zebras push north into the northern Serengeti and Masai Mara, watch dramatic river crossings filled with peak predator action. You will also find over 8,000 wildebeest are born daily, drawing lions, cheetahs, and leopards for unprecedented predator-prey dynamics amidst lush green landscapes. There will be guided game drives led by expert local naturalists tracking big cats, elephants and herds. You will be immersed in heart-of-the-action bush camps with modern comforts and experience authentic visits with local communities and conservation leaders. Luxury accommodations. Land tour is approximately \$9500.00 per person. Air not included.
